Important Questions	Answers			Why This Matters:
What is the overall deductible?		**Network**	**Non-Network**	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.
	Per participant:	$500		
	Per family:	$1,000		
Are there services covered before you meet your deductible?	Yes. Preventive care, prescription drugs, office visits, urgent care, and hospice care.			This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	Yes, for prescription drugs. $200 per plan participant, $500 per family. This deductible does not apply to generic drugs.			You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services.
What is the out-of-pocket limit for this plan?		**Network**	**Non-Network**	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
	Per participant:	$2,000	Unlimited	
	Per family:	$4,000	Unlimited	
		Prescription Drugs		
	Per participant:	$2,500		
	Per family:	$3,500		
What is not included in the out-of-pocket limit?	Co-payments for certain services, premiums, balance-billed charges, health care this Plan doesn't cover, charges in excess of benefit maximums, charges in excess of maximum allowed amounts, pre-certification penalties, and			Even though you pay these expenses, they don't count toward the out-of-pocket limit.

	non-medically necessary services.	
Will you pay less if you use a network provider?	**Yes, for medical:** Anthem. See www.anthem.com/ca/sisc or call 1-877-379-4844 for a list of network providers. **Yes, for prescription drugs:** Navitus. For a list of retail and mail pharmacies, log on to www.navitus.com or call 1-866-333-2757.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
